

You take notes in class to have a written record of important information. Think about how you take notes when your teacher is giving information in class. Describe the things you do at each of the following stages of notetaking.

1. This is what I do to **GET READY** to take notes in class.

---

---

---

---

---

---

---

---

---

---

2. This is what I do when I **TAKE** notes in class.

---

---

---

---

---

---

---

---

---

---

3. This is what I do with my notes **AFTER** class.
