

Scratch Project

In your story for your project, you should answer the following questions:

Your Name, Age, and most favorite thing to do

And...

1. How did you like middle school?
2. How do you believe high school would be different/same?
3. Why did you choose BETA (Bronx Engineering & Technology) as your high school?
4. What is your biggest apprehension (anxiety/fear) about high school?
5. What do you think high school would be like?
6. What do you want to accomplish in your first (freshmen) year in high school?
7. What do you want to accomplish in your second (sophomore) year in high school?
8. What do you want to accomplish in your third (junior) year in high school?
9. What do you want to accomplish in your fourth (senior) year in high school?
10. What do you want to do once you graduate high school?

Some additional questions to consider:

- What kind of job/career do you want?
- How far away to college do you want to go?
- Would you like to do a semester abroad (going to college in a foreign country for one semester)?
- What kind of activities/clubs/sports/internships would you like to do in high school?

Some scenarios to consider:

- Meeting a new friend and answering questions
- An interview with a teacher or coach
- An interview with the principal or assistant principal
- A discussion between someone at home and yourself
- A dream or daydream sequence
- A presentation to an audience of people you don't know
