Turning Points Scorecard

Directions: Over the course of 2 days, we will be associating words & phrases with particular turning points in history most often tested on the NYS Regents.

For this activity, write the turning point associated with the words that appear on the screen. Do not give your answer aloud. We will be asking for responses for additional credit. Secondly, we will be adding additional words for that event on your scorecard. Lastly, after you have completed the assignment, put the turning points in chronological (time) order.
