Multiple Choice Review

The following areas or topics have been determined to be in need of more study and review. In order to insure greater success on the multiple choice portion of the U.S. History Regents exam, please take the online quizzes. You may print them out or save your responses to a PDF.

Take each quiz listed below five (5) times. Record your answers, check your answers, and then list your scores below. You need to be at the minimum of 60% correct for each of the quizzes in order to have a score large enough to pass in conjunction with the other parts of the exam.

Once you reach 60% + move on to the next quiz. It will count as a 100%
