some of his people led vs to their houses, showed vs the growing of their Corne & the maner of setting it, gave us Tobacco, Wallnutes, mullberyes, strawberries, and Respises. One shewed vs the herbe called in their tongue wisacan, which they say heales poysoned woundes, it is like lyverwort of bloudwort. One gaue me a Roote wherewith they poison their Arrowes. they would shew vs any thing we Demanded, and laboured very much by signes to make vs understand their Languag.
